Counter-Defendants.

DECLARATION OF BRAD A. FUNARI

I, Brad A. Funari, hereby declare under penalty of perjury pursuant to 28 U.S.C. § 1746 that the following is true and correct:

1. I am a partner and a member of the Global Commercial Disputes Group at Reed Smith LLP (“Reed Smith”). Reed Smith represents Defendants DPAD Group, LLP, John Manning, and Daniel Steele (collectively, the “Defendants”) in this case. I am familiar with the work performed by Reed Smith on behalf of Defendants.

2. I submit this Declaration in support of the Defendants’ Motion for Attorneys’ Fees and Costs (the “Motion”). This Declaration is based upon my personal knowledge and if called upon to do so, I can testify regarding my personal knowledge.

3. Defendants retained Reed Smith to defend the Defendants' interests in connection with the claims raised by Plaintiff Profit Point Tax Technologies, Inc. ("PPTT").

4. Reed Smith has represented Defendants throughout this case.

I. BACKGROUND AND EXPERIENCE.

1. Reed Smith is an international law firm founded in Pittsburgh with thirty-one (31) offices across the United States, Europe, the Middle East, and Asia.

2. Reed Smith has significant and specialized experience in representing clients in commercial and business disputes.

3. I served as lead counsel for Defendants in this case, handling it from its inception through judgment. I graduated from the University of Pittsburgh School of Law in 2002 as a member of the Law Review and have been in private practice since that time. I represent clients in complex and commercial litigation surrounding misappropriation of trade secrets, breach of restrictive covenants and other business competition matters, energy litigation, shareholder disputes, and business and contract litigation. I continuously have been selected through peer review for inclusion in The Best Lawyers in America for Commercial Litigation since 2020. I have litigated before many federal and state courts across the country, and have handled jury trials, bench trials, evidentiary hearings, arbitrations, and administrative proceedings through verdict. I am licensed to practice law in all state and federal courts in Pennsylvania and West Virginia and the United States Courts of Appeal for the Third, Sixth, and Ninth Circuits. I am the U.S. Co-Chair of Reed Smith's Emergency Injunctions and Temporary Relief Group.

4. At the outset of the case, Reed Smith and Defendants negotiated rates for attorneys working on this matter. The rates which were negotiated reflect discounted hourly rates which are substantially less than the hourly rates Reed Smith has established for my work and those of the

attorneys assisting me. These negotiated rates were discounted due to Daniel Steele's good friendship with a former partner at Reed Smith.

5. I billed 742.50 hours on this case at the highest hourly rate of \$600.00 (much of the work I performed on this case was at the hourly rate of \$545.00), which is less than my current standard hourly rate of \$835.00.

6. Other current and former Reed Smith attorneys provided significant services in connection with its representation of the Defendants.

7. Alex G. Mahfood is Counsel at Reed Smith and a member of the Global Commercial Disputes Group who graduated *cum laude* from the University of Wisconsin Law School in 2012.¹ Mr. Mahfood represents clients in commercial litigation, including contract and lease disputes, trade secret and non-competition claims, property and business torts, and requests for expedited injunctive relief. Mr. Mahfood billed 602.50 hours on this case at the highest hourly rate of \$400.00 (much of the work he performed on this case was at the hourly rate of \$350.00), which is less than his current standard hourly rate of \$680.00.

8. A summary of the hours that Reed Smith's current and former attorneys and other timekeepers worked on this case and the fees they billed, which the Defendants seek to recover through the Motion, is contained in the following table:

Name	Title	Current Negotiated Rate for Matter	Billed Hours	Billed Amount

II. SUMMARY OF THE WORK PERFORMED.

9. I and the other current and former Reed Smith attorneys performed extensive work on this case throughout the entirety of its pendency.

10. This work was effectively coordinated among Reed Smith attorneys and professional staff and included drafting pleadings, motions, briefs, and other papers, conducting legal research, propounding and responding to written discovery, managing discovery projects, including the review and analysis of a voluminous number of documents, preparing for and participating in depositions, and preparing for and participating in mediation, and preparing for and participating in Court-ordered conferences and arguments, among other work.

III. REED SMITH'S RATES AND BILLING PROCESS.

11. Defendants engaged Reed Smith to represent them in this case under the terms of an engagement agreement. The terms of the engagement of Reed Smith include approved staffing and negotiated rates.

12. In connection with our engagement, Reed Smith and the Defendants agreed that Reed Smith would charge for its services on an hourly basis for the work performed. The Defendants were billed for fees and costs by Reed Smith on a monthly basis throughout this case.

13. In preparing this Declaration, I have followed the same terms that governed the Defendants' engagement of Reed Smith at the commencement of this case.

14. The rates set forth in this Declaration and in the concurrently filed invoices represent the hourly rates that were billed to the Defendants.

15. Reed Smith customarily bills its clients monthly for services rendered and expenses incurred in the prior month. The firm charges its clients for legal services based primarily on the time taken to perform the services.

16. To provide the information for the monthly bills, each attorney and staff member maintains records showing the work he or she performs on behalf of clients. These records, which include the client, the matter, the date, the task(s) performed and the time taken to perform such task(s), are regularly recorded in Reed Smith's accounting data base. In addition, costs incurred on behalf of clients are regularly recorded in Reed Smith's accounting database. These records include the billing attorney, the client, the matter, the date and the reason for the charge.

17. From this information, the accounting department periodically prints out a pre-bill for each matter Reed Smith handles for a given client. The pre-bill lists all of the attorney and support services performed during the relevant period, the date on which each service was performed, the attorney or staff member who performed the service, the time required to perform the service, the dollar value of the service at the hourly rate for the person performing the service, the total dollar value of all services performed and other information. The pre-bill also lists all costs and expenses incurred by attorneys in the provision of legal services for that month.

18. From these pre-bills, the responsible attorney prepares an invoice that is then forwarded to the client for payment.

19. To prepare the Motion, which seeks attorneys' fees and costs in this case, I relied on the invoices Reed Smith submitted to Defendants for payment. I have edited the time entries in order to redact entries that include matters subject to the attorney-client privilege or information that would reveal counsel's mental impressions, conclusions, opinions or legal theories concerning this litigation. Reed Smith's adjusted billing records, which reflect all of the fees included in this Declaration, are attached to this Declaration.

20. Throughout the duration of this case, Reed Smith has billed Defendants a total of 1,751.8 hours of work, amounting to \$741,026.50 in fees.

IV. COSTS AND EXPENSES INCURRED BY REED SMITH.

21. Throughout the duration of this case, Reed Smith has incurred costs and expenses of \$147,197.37 in connection with the defense of the Defendants in this matter.

22. Pursuant to Defendants' engagement of Reed Smith, Reed Smith paid the costs incurred on behalf of the Defendants and then sought reimbursement for such costs in the monthly invoices submitted to the Defendants.

23. These invoices that are being concurrently filed with this Declaration and the Motion reflect all expenses associated with this case which were incurred by Reed Smith and invoiced to Defendants.

24. The expenses incurred pertaining to this case are reflected in the books and records of Reed Smith and are an accurate record of the costs and expenses incurred. All of these costs and expenses were reasonable and necessary to the defense of this case and include costs for document review, business travel, deposition transcripts, mediation services, and data hosting fees

V. DEFENDANTS HAVE PAID THEIR INVOICES.

25. Defendants have paid these fees, with the exception of the most recently issued invoices dated January 17, 2023 for \$200.00 in fees and dated February 16, 2023 for \$1,280.00 in fees and \$5,005.28 in costs.
